Thanks for the chocolate and for listening to our show. I'm glad we made you laugh. Think seriously about being a guest DJ!

Listen to TC & THE JAMMER on WNTC 102.9 FM - cable, every Thursday night from 8 until 10:30. For music, moral issues, mass mayhem, and money making tips, there's no better show!!

Sorry P.F., they wouldn't let me read them over the air.
